RE: ORPHANAGE INSPECTION REPORT

DATE OF INSPECTION	16 th July 2007
OWNERSHIP	KENYA KINDER HILFE P.O. BOX 1417 MALINDI
TYPE OF BUSINESS	ORPHANAGE
NATURE OF BUSINESS	CARE AND SUPPORT TO 17 ORPHANS AND VULNERABLE CHILDREN
PURPOSE OF INSPECTION	CHECK ON PROGRESS OF PREMISES UNDER CONSTRUCTION

SITUATION AND LOCATION

The new orphanage under construction is situated at Langobaya T. Centre along Kilifi - Makobeni Road in Lango Baya location; in Malindi Division, Malindi District.

TYPE AND ASPECT

The 1st house under construction is gable in shape, 3 bed-roomed house has a provision for a Kitchen, Food stores and 2 water closets.

CONDITION OF PREMISE

Construction progress of premises now completed to roofing level.

Walls: - masonry walls well constructed.

Floors: - concrete floors well constructed.

Roof: - gable roof with green G.C.I sheets well constructed.

Vent/lighting: - doors/window frames well built with external doors opening outwards.

Drainage/sanitation: - Construction of septic tank and soakage pit. Completed.
Soil wastewater drainage line to be made

Water supply

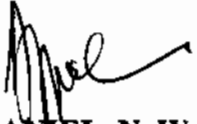

Tap water supply already connected to the premises.

Recommendation

- (1) Plastering of both internal/external wall surfaces and painting the same with suitable paints.
- (2) Provide door shutters to internal doors and glass louvers to louver frame windows.
- (3) Construct the drainage line leading to the septic tank.
- (4) Construct the cemented floor screed.

CONCLUSION

The newly built house is in good shape and well constructed.
